

ELLMAN
FAMILY VINEYARDS

2015 ESTATE

NAPA VALLEY CABERNET SAUVIGNON

When we purchased Ellman Family Vineyards in 2015, we realized that by maximizing the potential of the property, we could build our Estate brand. As we learned about the vineyard and discovered its many nuances, we found that there was great promise in producing a wine we would be proud to have carry the Estate label.

TASTING NOTES

Our inaugural release of the finest expression of our Estate Cabernet Sauvignon boasts a deep ruby hue with hints of violet at the meniscus. Layered aromatics of vanilla, boysenberries, crushed tobacco leaves and dried rose petals billow from the glass. The palate gives way to a myriad of dark fruits from cherries to blackberries, balanced with hints of cigar box, baking spice and sarsaparilla, and replete with mouth-coating tannins and a lengthy finish. This wine is incredibly focused; it can be enjoyed now and possesses an age-worthy character to be enjoyed for years to come.
