TASTING NOTES

The 2017 Caryn Renae Sauvignon Blanc is a delight from start to finish. It's brilliant lemon hue has hints of chartreuse at the meniscus. Aromatics of citrus, honeysuckle, orange blossoms, and an ocean breeze effuse from the glass. The palate has notes ranging from fresh key lime juice to white peaches with mouth-watering acidity, and a fresh yet broad palate expression. The end result leaves you feeling sea-kissed, and utterly embraced by summer.
