TASTING NOTES

The 2018 Caryn Renae Sauvignon Blanc embodies the classic character of this varietal from head to toe – from its brilliant lemon hue to aromatics of gooseberry, boxwood and freshly cut grass, to young pineapple and lemon verbena. The myriad of citrus notes and white petaled flowers give way to a bright finish, with a focused yet expansive palate. It's sure to evoke images of your favorite body of water, and endless summer days.

Best enjoyed with your favorite fruits of the sea, and friends of course! Oysters on the half shell, anyone?
