

ELLMAN

FAMILY VINEYARDS

2016 ESTATE

NAPA VALLEY CABERNET SAUVIGNON

When we purchased Ellman Family Vineyards in 2015, we realized that by maximizing the potential of the property, we could build our Estate brand. As we learned about the vineyard and discovered its many nuances, we found that there was great promise in producing a wine we would be proud to have carry the Estate label.

TASTING NOTES

Our 2016 Estate Cabernet Sauvignon is comprised of a tiny barrel selection of the finest fruit from our vineyard. With an intense, deep ruby hue, the 2016 exudes complex aromatics harkening the spectrum from cassis bud, orange peel and cerise to salumi—such as Lardo di Colonnata and Finocchinona. Balancing its truly refined nature with extreme power, the palate gives way to a myriad of fruit and floral notes from cherries and blackberries to hibiscus and violet, balanced with hints of cigar box, savory licorice and dried sage, and replete with mouth-coating tannins and a lengthy finish. This wine is incredibly focused; it can be enjoyed now, and possesses an age-worthy character to be enjoyed for years to come.

VINTAGE	2016
VINEYARDS	Ellman Estate Vineyard
VARIETALS	100% Cabernet Sauvignon
CASE PRODUCTION	95 Cases
AGING	22 months in barrel
